

WS 68 SNAP Series

Power Driven Cable End Strippers

Features

- Increases safety by eliminating use of traditional knives, reducing the risk of cuts or repetitive motion injuries
- Easily attaches to power drill for safe & efficient cable stripping
- Adjustable strip lengths from 0.625" to 2.5" or 0.625" to 5.0"
- Patent-pending quick connect collar design makes changing bushings faster & more efficient - even with gloves on
- Increases splice & union reliability with accurate strips every time
- Compatible with Ripley® cable bushings #6 AWG to 750 MCM
