# FTTX Flat Drop Prep Kit

Simplify field connector installation on flat drop fiber with the FTTX Flat Drop Prep Kit.

Featuring a complete range of tools for rapid, measured jacket stripping, fiber stripping, loose tube scoring, strength member cutting, and both Kevlar® and fiberglass trimming, the FTTX Flat Drop Prep Kit contains everything a fiber installer needs to strip and prep flat drop fiber-to-the-home cables.

Professional, hard-wearing, and featuring the most trusted, cutting-edge Miller® tools, this kit is essential for any fiber cable technician.
