

Ripley ODM LLC EU RoHS Recast DIRECTIVE 2015/863/EU statement

According to ROHS statements provided by our suppliers, Ripley ODM LLC products comply with Directive 2015/863/EU of the European Parliament on the restriction of the use of certain hazardous substances in electrical and electronic equipment (also known as the “RoHS 3”). RoHS Directive 2011/65/EU was amended by the Directive 2015/863/EU, which was published in June 2015. Four additional substances (phthalates) were added to Annex II of the original RoHS Directive. The provisions regarding the restriction of the newly added substances in ‘Electrical and Electronic Equipment’ do not apply before 7/22/2019. Ripley ODM LLC does not analyze the supplied materials or assemblies, but requires ROHS compliance statements from all of our suppliers. In addition, this declaration of conformity is issued under the sole responsibility of Ripley ODM LLC. Specifically, products manufactured do not contain the substances listed in the table below in concentrations greater than the listed maximum value according to our supplier compliance statements.
